OUR SERVICES

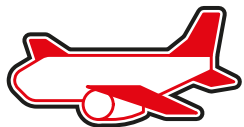

NEXT FLIGHT OUT (NFO):

It's a service in which the dispatch of particularly time-critical shipments is required. NFO shipping ensures the fastest possible dispatch and delivery within the shortest possible time. As the name suggests, the NFO cargo is transported directly on the next possible outbound flight.

EXPRESS ROAD:

With vans we can provide all kinds of solution to meet your delivery requirements and give you the best option on the market. Our team can also manage ad-hoc services for special deliveries and continuous-flow supply chains.

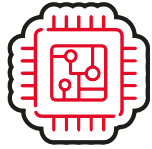

CHARTER:

Optimize cargo logistics with precision and speed through our specialized time-critical air freight charter service. Guarantee reliable deliveries tailored to urgency, enjoying the flexibility of on-demand, exclusive aircraft rental. Streamlined logistics and punctual performance cater to specific cargo needs with efficiency and customization.

WE PLANT A TREE FOR EACH MISSION

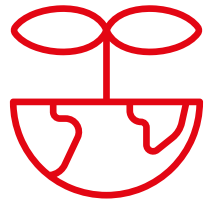

BPG'S FOREST

Our forest on Treadom grows every day thanks to our clients. In fact, for every confirmed mission, we give them a tree to build a greener world together!

SOCIAL BENEFITS

The fruits from BPN's trees remains a property of the smallholders, they can eat it themselves or sell it in order to sustain their families.

ENVIRONMENTAL BENEFITS

All trees are good for the environment: they absorb CO2, emit oxygen, promote biodiversity, counteract soil erosion and much more.

MORE ABOUT YOUR TREES

The tree's planting is documented with a photo and GPS coordinates and you can also learn about its species and read stories from the local communities that get benefits from it.

ISO STANDARD

As a growing company, we have a **commitment to our customers** that we are **fully accredited** to the **best industry standards** as a way to demonstrate our quality as a supplier and employer.

We are now accredited to **ISO 9001:2015**, **ISO 14001:2015**, **ISO 45001:2018** and **ISO 10002:2018** standards compliance.

This is a big result as we can now operate with more projects, giving our clients the peace of mind that we are operating to the **highest industry standards** and have the **systems and procedures** in place to maintain them. It also underscores our underlying responsibility toward reducing our environmental impact and meeting high levels of health and safety compliance in every project we undertake.
